 1st Wedmore

... we prepare young people with skills for life

Do more

Beaver Scouts are girls and boys aged between 5¾ and 8 that meet together in a Colony. They enjoy making friends, trying new indoor and outdoor activities, playing games, and helping others.

Learn more

Wedmore has an active Beaver Colony with about 24 Members, which meets in the Scout Den in Combe Lane most weeks, on Monday evening between 5.30 to 6.45 pm except during school holidays.

Be more

Scouting prepares young people for the future. We help them do more, learn more by doing and be more. Want to find out more? - contact the Beaver Scout Leader at: e-mail - beavers@wedmorescoutgroup.org.uk

BEAVERS

Time for fun, friendship & activities

What do Beaver Scouts get up to?

Beaver Scouts enjoy making friends, playing games, and helping others. They usually meet together once a week in a Beaver Scout Colony.

Beaver Scouts also get to go on trips and days out.

Sometimes they go on Sleepovers, which is often the first time that you spend a night away from home.

Sleepovers usually take place in suitable buildings, like Scout centres.

There are a lot of badges to get which you can wear on your uniform. Some of the badges are shown on this page.

As a Beaver Scout you will:

- go outdoors
- help others
- try new things
- have fun!!

The most important part of being a Beaver Scout is helping others and being friends with other members of the Colony

... fun and friends

Joining-in Awards

These are special badges that are awarded every year. The number indicates how many years you have been in the Beaver Colony.

There are also a number of other special awards and optional badges that you can gain.

Challenge Awards

There are six Challenge Awards, these are:

- My Adventure Challenge
- My Outdoors Challenge
- My Skills Challenge
- My World Challenge
- Teamwork Challenge
- Personal Challenge

These Awards give you a chance to find out about other people and how they live, as well as a bit about yourself and your Beaver Scout Promise.

Chief Scout's Bronze Award

When you are nearly old enough to leave the Beaver Scouts you can earn a special badge. This is called the Chief Scout's Bronze Award. It is the highest Award in the Beaver Scout Section.

To get this award you have to show that you have tried lots of new things. You can do this by earning all six Challenge Awards and completing four activity badges or staged activity badges.

Activity & Staged Badges

The Activity Badges are to test your skills and to help you to with new interests; but the Staged Badges have a number of stages, which get more difficult as they go on to help you to develop your special interest. They both help you to complete your Challenge and Chief Scout's Awards.

Beaver Scout Moving-on Award

The Moving-on Award helps you to get ready to swim up to Cub Pack when you are about 8 years old.

While you are taking part in your Moving-on Award you can start work on your Cub Scout Membership Award, so that you are ready to be a Cub when you join the Pack.
